

UNVEILING TODAY

THE NEWLY UPGRADED CLUB ANDAMAN BEACH RESORT

A SPECIAL PUBLICATION OF THE BANGKOK POST

MESSAGE FROM
THE GOVERNOR OF TAT

The opening of Club Andaman Beach Resort comes at an opportune moment when the tourism climate worldwide looks set to revive and enjoy another great boom in the near future. I offer my heartiest congratulations to the owners and management on this auspicious occasion.

As everyone is aware, the government and private sectors of the industry have collectively and singly done everything in their power to create opportunities conducive to expanded business, taking advantage of all available resources and staging the activities both here and abroad. We have every reason to be proud of all these efforts.

Taking off amid the optimal spirit, Club Andaman Beach Resort can look forward to one of the best business seasons ahead. With all full-range facilities in tiptop condition and services maintained in the highest standard, the hotel will be an asset and example to the Phuket hotel community. And to stay in the forefront, it must give priority to constant improvement of its products and customer service.

I have confidence that in the capable hands of the current board and management team, the hotel can count on years of prosperity and growth. Again I wish Club Andaman Beach Resort a long record of success and enduring popularity among international holidaymakers.

Dharmnoon Prachuabmoh

MESSAGE FROM
THE GOVERNOR OF PHUKET

It gives me great pleasure to convey my congratulations to Club Andaman Beach Resort, officially opened today.

Phuket is prominently one of the world's most famous tourist destinations, reputed the world over for its long stretches of palm-fringed beaches, turquoise seas, tropical charm and warm hospitality. With the establishment of such first-class accommodation and facilities as Club Andaman Beach Resort, Phuket has become a paradise for holidaymakers seeking to spend a peaceful vacation among the tropical nature yet not far from civilisation.

I am looking forward to seeing close cooperation between Club Andaman Beach Resort and other proprietors of resort hotels in maintaining the tranquility and environment of Phuket. I also wish the resort's management and staff every success.

Yuwat Vuthimedhi

MESSAGE FROM
THE CHAIRMAN

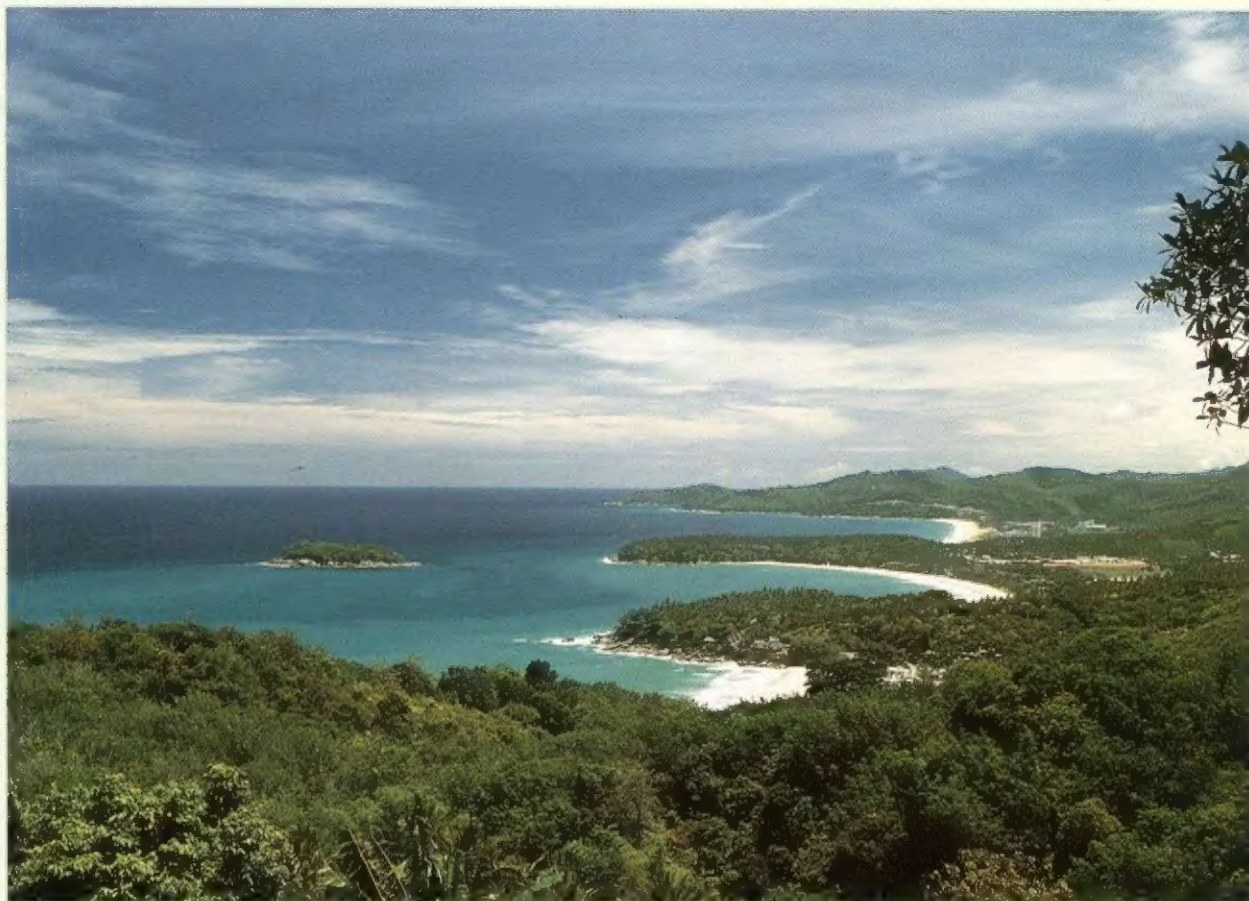

A promising new era for the newly upgraded and expanded Club Andaman Beach Resort begins today. Thoroughly refurbished and featuring brand new facilities, Club Andaman Beach Resort now presents the widest range of first-class accommodation available in Phuket.

Club Andaman Beach Resort was one of the first resorts built on Patong Beach. Beginning with 40 Thai-style thatched-roof cottages on 30 rai of one of Patong's most beautiful beach-front properties, Club Andaman has expanded until today it offers 240 luxurious rooms. Its spacious grounds and well-preserved landscaped gardens long have been one of Patong's most distinguished features, offering the ideal setting within Phuket's tropical splendour.

Over the years, Club Andaman Beach Resort has attracted a large, mainly European clientele. To handle increasing demand from a wider market, an eight-storey four-star hotel — with all the facilities necessary for a complete holiday — have been added. Now Club Andaman offers a unique combination of private cottages and a deluxe resort hotel with all the conveniences. Travellers, ranging from honeymooners to incentive groups, can find accommodation perfectly suited to their needs.

On behalf of the management of the newly upgraded Club Andaman Beach Resort, I would like to extend a warm welcome to everyone planning to visit Phuket. Our exclusive facilities will enhance Phuket as a holiday destination and also create the perfect ambience for a memorable holiday.

PHUKET ... THAILAND'S SPLENDID TROPICAL ISLAND

Located some 890 kilometres south of Bangkok, off the west coast of Thailand's southern peninsula, lies the Kingdom's largest — and one of its most beautiful islands — Phuket.

Lined with tropical plantations and scores of pristine white sandy beaches along the unmatched turquoise Andaman Sea, Phuket is a true paradise on earth for all nature-lovers. Blessed with dozens of unspoilt beaches, among them the popular Patong Beach, Phuket is one of the most favourable tourist destinations in Southeast Asia.

Today, the island is one of the most established beach resorts in this region, offering luxury, high-standard accommodation and facilities as well as various activities to visitors from all over the world. Phuket

is growing and, to its advantage, bears a unique charm of its own.

However, Phuket is not all on its own. Tourists to the island can make a brief visit to nearby Phang-nga Province, or to Phi Phi or Similan islands.

Phang-nga is a large province

located on the mainland some 90 kilometres north of Patong Beach. Its haunting landscape at once radiates tranquility and awe. Watching a spectacular sunset or going on fishing tours are fine ways to while away the days in this inspiring land.

As for the fairy tale Phi Phi, acclaimed as the world's two most beautiful islands, and the

fantastic Similan, they are top destinations for globe-trotting snorkelers and scuba divers, offering the most picturesque beaches and undersea coral in Southeast Asia.

On Phuket itself, Patong Beach is recognised as one of the most beautiful beaches and the home for some selective international resorts. The choicest among them, hidden behind a valley of tropical rain forest, is the newly upgraded Club Andaman Beach Resort.

Club Andaman is only 50 metres from Patong's white sandy beach, some 43 kilometres from Phuket International Airport and only 16 kilometres from the town itself, a very convenient and true luxury resort for holidaymakers seeking an ideal vacation.

CLUB ANDAMAN ... YOUR CHOICE OF RESORTS

Nestled in a 30-rai plot surrounded by tropical trees and verdant gardens just across the road from lively Patong Beach, the new Club Andaman Beach Resort offers charm, peace and natural surroundings within just a minute's stroll from the bustling town of Patong.

Specially designed to give only unmatched service, the resort now is in its 11th year of operation and promises to continue upgrading its high standard forever. The resort offers world renowned first-class accommodation with a wide range of activities and services to ensure maximum enjoyment and a memorable stay for all its guests.

CLUB ANDAMAN ... THE NEW LOOK

A 350-million-Baht project designed to improve the resort began two years ago. Formerly comprising 128 Thai-style thatched-roof cottages, the resort took on a massive expansion to include two new deluxe Andaman Wings along with the 54 retained cottages. With the new look, the resort now comprises a total of 240 rooms including suites, cottages and the new Andaman rooms.

Resort owner Sai Nam Yen Co., Ltd. engaged construction specialist Kaos Engineering and Construction, architects Dormer Co., Ltd. and interior designers Cubic Design Co., Ltd. to make the project a success.

Today, the resort re-inaugurates service with confidence, its complete upgraded facilitating its leap forward in the marketplace.

THE VILLAGE COTTAGES

The 186 well-appointed rooms and suites in the new Andaman Wings, accessed via a grand second-storey lobby, have spacious balcony and lounge areas with breathtaking views of the Andaman Sea at sunset.

All facilities add to the privacy and relaxation of guests. Rooms have individually controlled air-conditioning, wall-mounted electric hair-dryers, room safes, IDD direct-dial

telephone, mini bar and refrigerator with cocktail mixing table, colour TV with video channels, music and a lush tropical interior design — giving a true feeling of a first-class tropical resort.

The 54 Thai-style thatched-roof cottages add to the diversity of the new look. With the same facilities, they resemble a typical Thai home and allow easy access to the gardens and pool area through a terrace.

Every week, Club Andaman provides a variety of special shows, ranging from Thai boxing, Thai classical and traditional dances, magic and cabaret shows, among others.

fun and lively music by the two pools until midnight.

Another way to enjoy the evening is to stroll down a spectacular spiral staircase overlooking the spacious gardens, pools and beach where one will experience a marvelous panoramic view of the sky during the early hours of the evenings.

During the day, close by the pools is the Fast Food Hut offering services similar to American Take-Away stores. Here, one can dine right in his or her deck chair. Open from 10 a.m. until 4 p.m. daily, the Fast Food Hut is the right place to indulge in a hamburger or tropical island sundae whilst lounging by the spacious pools.

For those wishing to remain in the comfort of their rooms, 24-hour room service is available.

The Lobby Lounge, located downstairs from the main lobby, offers light piano music to entice guests to sip away at their cocktails. Here, one can sit and view the beautifully illuminated gardens around the lotus pond. Open nightly until 2 a.m., the Lobby Lounge is the perfect way to enjoy a relaxing evening. On the other hand, the Palm Tree Bar offers

RECREATIONAL AND SPORTS FACILITIES

After an active day, guests can take a rest in the steamy sauna located in the fully-equipped fitness centre of the new Andaman Wing. Also in the centre, guests can take a traditional Thai massage, try their hand at weights or exercise leg muscles on various bikes and tracks. All these activities are supervised by qualified instructors.

All water sports can easily be arranged right across the road from the resort. These include parasailing, windsurfing, water scooters, jet-skiing and many more.

In early 1992, Club Andaman will have two day-and-night tennis courts ready to serve tennis enthusiasts.

FUN-FILLED TIME FOR CHILDREN

For children, a big games room located on the mezzanine floor offers video and computer games, board games and electronic real moving vehicles.

Complimentary baby-sitting service is also offered with a spacious children's playground within the hotel premises.

MODERN FACILITIES FOR MEETINGS AND INCENTIVES

In early 1992, the 250-seat conference room will be in operation to cater to world-wide meetings and incentive groups. This centre can be divided into four small meeting

rooms capable of seating up to 60 people each. All are equipped with complete convention facilities, ranging from slide projectors to personal computers.

EFFICIENT IN-HOUSE BUSINESS CENTRE

Currently, the resort has opened its fully-computerised Business Centre, the first of its kind in Phuket, incorporating secretariat service, telex, fax, computers and copy machines to provide prompt and efficient service to guests.

OTHER FIRST-CLASS SERVICES

The tour counter offers services ranging from day tours, car-rental, taxi transfers to flight reconfirmation and reservations. Guest Relations officers also are on hand to assist guests. Both counters are located in the lobby adjacent to the shopping arcade where beauty salon, gift and souvenir shops, drugstore, and other facilities are found.

CLUB ANDAMAN

PATONG BEACH, PHUKET, THAILAND

The natural secluded beauty of Club Andaman is your ideal place for a blissfully peaceful holiday in the luxuriant tropical paradise of sunny Phuket Island.

Club Andaman recreates the romance of Thailand's bygone age. It nestles in 15 acres of coconut palms, lotus ponds, and landscaped lawns, where the brilliant colours of luscious tropical flowers grow within reach of the thatched holiday cottages built in a traditional Thai style.

Each cottage stands on its own, well-away from its neighbour, affording you absolute privacy and comfort. There are 80 first class cottages furnished with modern amenities and airconditioning; in addition, there are 27 larger de-luxe air conditioned cottages complete with mini-bar.

Within Club Andaman's idyllic environs is a swimming pool edged on its perimeter by lawns and palm trees. Here, the friendly staff of the poolside bar are ready to serve you.

The same attentive service can be found at the Club's restaurant which offers delicious fresh-caught seafood, a selection of appetising Thai dishes as well as a wide choice of European fare.

Close by is Patong's sun-kissed beach, where you can enjoy all kinds of water sports. Or simply relax, soak up the sun and listen to the swish of the palm fronds as the surf gently breaks on the sand.

Club Andaman offers you a romantic, away-from-it-all holiday full of peaceful pleasures. With its unspoilt tropical surroundings, traditional Thai cottages, and the warm hospitable welcome of its staff, you can travel back in time to a more leisurely era, making your holiday a restful, relaxing and memorable one.
